

Ph. D. Claudio Meneses Villegas

Información del contacto

Associate Professor
Head of the Department of
Computing & Systems Engineering
Universidad Católica del Norte
Angamos Av. 0610, Antofagasta, Chile
Office: +56 552355139
Mobile: +56 953076980

Intereses de investigación

Data Mining; Information Visualization

Short Bio

Claudio Meneses earned his MSc. and Ph.D in computer science degrees from the University of Massachusetts, USA, in 1997 and 2002 respectively, and his bachelor in computer science from Universidad Catolica del Norte, Chile, in 1990. Currently, he is an associate professor and chairman of the Department of Computing and Systems Engineering at UCN, Antofagasta, Chile. His research is focused on machine learning applied to text mining and sentiment analysis, and data and information visualization.
