

XX CONGRESO INTERNACIONAL DE INFORMÁTICA Y SISTEMAS CIIS-TACNA 2019 (11 - 15 NOVEMBER)

WIA PRIMER WORKSHOP DE INFORMÁTICA AVANZADA 1er WIA - 2019

CALL FOR PAPERS

PURPOSE

The XVV promotion of Computer and Systems Engineering of the National University Jorge Basadre Grohmann of Tacna, has the pleasure of inviting the I Advanced Informatics Workshop which is one of the events that will be taking place in the framework of the XX International Congress of Informatics and CIIS 2019 systems.

This workshop will be a space for discussion and exchange of research results of various academic authors whether they are: professors, students, graduates or professionals from the region, the country or from other places; for this, they are invited to submit an evaluation of their research papers in short format, being reviewed by a program committee composed of renowned academics from different countries of the world.

TOPICS OF INTEREST

I WIA will receive various short-term research papers from the different branches of information and technology, some of the topics are:

- Software Engineering
- Data and knowledge engineering
- Robotics and automation
- Intelligent Systems
- Emerging technologies
- New trends in computing

PLACE

I WIA will be held on the campus of the Jorge Basadre Grohmann National University, Tacna - Peru, which is 1235 km south of Lima, the capital of Peru.
